

EVERY
DOLLAR
HELPS!

Currently incorporated as Baymeadows Center for Hope & Healing, Inc.

Fundraising Information:

Who Are We:

Partners in Hope & Healing began as Baymeadows Center for Hope & Healing, Inc. We are a Florida Non-Profit para-church ministry organized to partner with churches and other ministries to provide service such as counseling to their members and the community around them. Although it is our desire to help the churches, our mission is to provide Quality Christian Counseling at an affordable rate to those who may only have access to so-called secular counseling.

What We Do:

- Provide Christian Spiritual and Mental Health Counseling.
- Train and deploy Christian Mental Health Coaches.
- Provide quality marriage and family therapy.
- Support those suffering with clinical conditions.
- Conduct Christian support-group programs.
- Conduct free remote clinics at addiction recovery facilities.
- Develop and manage post recovery support programs.

Why Help Us

- We offer income-based sliding-scale session rates to everyone.
- Although our minimum rate is \$20.00, more than half of our clients cannot pay.
- We cannot provide our services at low cost or free without your support.
- We are all volunteers, providing our services for free.
- People in recovery desperately need trauma, PTSD, and grief counseling.
- People in most recovery programs are not able to pay.
- Counseling while in recovery reduces relapse.

What does my donation pay for:

- ZOOM - We use Zoom for telehealth and online support groups.
- Liability/Malpractice Insurance, CEUs. (Required for Board Certification).
- Rent, Internet service, office supplies.
- Communications materials, software, web services (website, email).
- Program materials such as workbooks and instructional manuals.
- No individually donated monies go to any salaries.

HOW TO CONTRIBUTE:

www.yourhopepartner.org/donations

Or give a check/money order or cash to the person who gave you this flier.
Make Checks to: Baymeadows Center for Hope & Healing, Inc.
